

# Virtual Summer Music Program

May 11, 2020

Dear Mentor Band and Orchestra Families,

Every year students in 5th, 6th, 7th and 8th grade band and orchestra have the opportunity to participate in the Mentor Summer Music Program. The Mentor Summer Music Program is a four week camp that allows students to improve their musicianship over the summer and have fun!

Sadly, meeting in person this summer is not possible due to the COVID-19 outbreak. Thanks to the outstanding technology available to us in Mentor, we can make music and have fun virtually!

During our four weeks together students will learn new sheet music, have access to SmartMusic, have the opportunity to take private or small group lessons and participate in fun competitions such as crazy hair day, personal injury day, ugly tie day, superhero day and more! All rehearsals, lessons and competitions will be done through Zoom. Once students register, they will be enrolled in a Summer Music Schoology course for camp material and rehearsal links.

**Start Date:** Monday June 1, 2020

**End Date:** Friday June 26, 2020

**Location:** Your house!

To register and receive more information, please view this Google Form:
